Note: Grain shipments reported previously are not contained in the present tabulation.

2. On 6 September, 14 carloads of grain entered East Germany via the Guben border station. 50X1-HUM

50X1-HUM

Comment. A total of 457 carloads of grain entered East Germany during the reported period, while 1,495 carloads were reported for the period between 7 and 31 August 1953. It appears that grain shipments from the USSR were reduced after the 1953 grain harvest had become available. 50X1-HUM
